

Only Bridgeport Hospital!

# Robot-Assisted Minimally Invasive Surgery

**Better surgery to get you back to the life you love! Bridgeport Hospital is the only area hospital to acquire the *da Vinci* "S" Surgical System.**

This advanced robotic technology provides the best of two worlds:

1. The smaller incisions and quicker recovery times associated with minimally invasive surgery;
2. The 3-D precision and accuracy of traditional open surgery.

Using the revolutionary *da Vinci* "S" Surgical System, Bridgeport Hospital is taking minimally invasive surgery to futuristic levels of accuracy.

Complex, delicate, robot-assisted surgery, now available for selected procedures, including prostatectomy and certain gynecological procedures, at Bridgeport Hospital.
